

CONFIRMATION OF CONSENT FOR RESEARCH PARTICIPATION

Study Information

This study aims to evaluate how users interact with mobile applications.

Principal Investigator:

Participation Consent

I consent that:

- I have received clear information about this research and what's involved in participating in the information sheet handed out to me,
- I understand the information provided to me about the study,
- I had the chance to ask questions, and I feel that all my questions were answered to my satisfaction,
- I was given details about the research's background, including who is conducting it and how to reach them,
- I am choosing to participate in this research of my own free will, and
- I have been informed that I can stop participating at any time without explaining why, and this choice will have no consequences for me.

By signing below, I confirm that I have read and understood the information provided above. I voluntarily agree to participate in this study as outlined in this form.

Date and place of signature: _____

Name of participant (block letter)

Signature of participant
